"People can be very intelligent or have the necessary skills, but if they do not believe in your business, then in reality they will not work"
- Mark Tsukenberg,

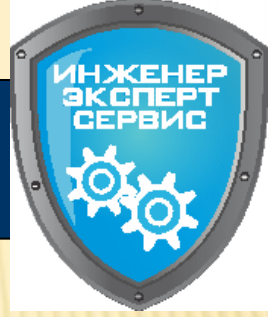

HR TRAININGS ON THE STAFF DEVELOPMENT

- 1. Training teambuilding (full course)** is conducted in the classroom, 2 full days. The course is aimed at increasing the motivation of employees, solving problematic issues in the team, such as personal dislike, attitude with management, etc .; increase of efficiency of employees, time management, set up the goals and objectives and their achievement by employees (why we need it ? How it works? and the benefits of it to the employee?!), creation of a committed employee.
- 2. A rope course is a teambuilding training** that takes place outdoors. The obstacle course, during which you will see how your team really functions and will be able to identify a hidden leader of the team.
- 3. Biometric fingerprint testing** - we found a solution for you! The fingerprint program will describe the candidate in details before you take him/her on board and it will decrease your expenses!

A fool prays for great help, a clever person asks for a small favor.

CONSULTING

Consulting services are intellectual, non-material service, providing explanations, recommendations and other forms of consultations, the results of which are not physically visible.

Every time, for the performance of a task, managers and specialists are facing a number of issues that interfere with the solution of the established task, which increases the amount of time spent.

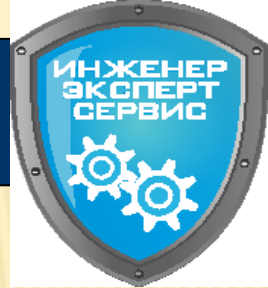

"Engineer-Expert Service" LLP having a qualified and competent specialists will provide you and your specialists a consultation in resolving issues of industrial and fire safety, labor protection and safety engineering. And also correct writing of business letters, appeals to government authorities, or even simple messages.

Two steps that needs to be done:

1. Sign an agreement for annual consulting services (monthly subscription cost is 25 000 KZT).
2. If you have any questions, you will just need to dial a phone number or write a letter to the mail, announcing your problem to receive an advice.

Strength are comes from the support

CONSULTATIONS

WHAT ARE INCLUDED IN THE MONTHLY SUBSCRIPTION FEE?
